Game

Halloween Cooking Game

クッキング ゲーム

Point 1-2 Game: Week 2 & 3

Gameplay Instructions

Dealer deals out 5 or more ingredient Cards to each player, starting with the player to the left. The objective is to collect everything you need to make any of the recipes on the Halloween recipe list. that together contain each of the **7 FOOD GROUPS**.

The objective is to collect the ingredients to make the dish of their choice. On their turn, player must do one of the following:

Get another player to ask you what you want with Point 1 & tell them a particular ingredient that you want.

If the player does not have the desired ingredient, he can respond with **"Go Shopping!"** Draw an Ingredient Card.

Most recipes require a **Halloween** card which can only be bought by coins.

After player has gathered all the ingredients they need they may complete a dish & get the coins they are worth. When doing so the must use **Point 2** the must
